

The Transpersonal Nature of Therapeutic Touch®

**January 12th 6:15 – 9:30 PM, 13th & 14th 10:00 AM – 4:30 PM ,
2024** **LOCATION: Zoom** **All times Eastern Standard**

Learner Outcome: The Transpersonal Nature of Therapeutic Touch® builds on the knowledge, skills, and insights acquired through the Foundations of Therapeutic Touch (Basic) Course, and insights gained from regular TT practice. Contemplative practices and guided reflective dialogue regarding energetic, emotional and mental aspects of Therapeutic Touch practice will enhance the student's self-knowledge and self-inquiry. Learners will explore in-depth approaches to assisting individuals with compassionate intent.

Prerequisite Required:

Foundations of Therapeutic Touch taken **before** September 2023

Objectives: Upon completion of the course, the student will be able to:

- 1 Engage in contemplative practices which deepen knowledge and awareness of inner self.
- 2 Describe the relationships between the practitioner's shifts in consciousness and elements of the TT process.
- 3 Provide Therapeutic Touch (TT) treatments with the compassionate intent to help the healing partner.
- 4 Apply knowledge and understanding of the transpersonal nature of Therapeutic Touch to TT practice.

Each class will consist of discussion, experiential exercises, meditation, and practice, practice, practice! You will learn more in each session about Therapeutic Touch and the human biofield – and probably about yourself. There will be some Basic TT review questions sent to you as soon as your registration is received. You are asked to complete those questions ahead of time. You will receive more pages for your TT workbook.
