## Cathy Fanslow M.A., QTTT

# HOPE: ESSENTIAL IN LIVING AND DYING

Cathleen Fanslow has cared for the dying and their loved ones for fifty years. She is an internationally acclaimed expert in the fields of nursing, death, dying, and hospice. Cathy will share with you the wisdom of the dying and the approaches she has created to help you assist them on their journey from diagnosis to their last breath. Using the four stages of HOPE each of us can explore what dying and death means to them and give them realistic support in a way that is positive and healing for all.
